Each group will have between 5 and 6 players.

Any cases will be decided when the draw is to be made.

The following procedure shall be used for the draw:

The U14 seeds will be based on the following criteria:

- 2) Current COTECC ranking at the time the round robin draws are made
- 3) National Ranking

The groups with less players will be the groups with the highest seeds.

d) For the recording of matches, matches won or lost by retirement after the match had begun will be recorded completing the set according to the format being used. For instance, if player is winning 4 - 3 in a short set match, and he retires because of an injury the reported score will be 5 - 3. And, if in a match to be played to the best of 3 tie-break sets player B retires on the first set after suffering an injury when the score was 4 - 5 for her, the reported score would be 6 - 4, 6 - 0 for her opponent.

e) The two best players from each round robin group will go to the Grade A and the rest to Grade 3.

29. ORDER OF MERIT FOR SEEDING IN MAIN DRAW (Grade A) AND SECOND DRAW (Grade 3).

Seeds for the singles knockout draw will be done based on the results obtained by players in their corresponding round robin group

- b) Sets: <u>sets won</u> Total of sets played
- c) Games <u>games won</u> Total of games played

Example:

His games coefficient is: 39 = 5571
