DOUBLES:

To enter the doubles event the two players from each team must sign-in together on the official sign-in form with the Referee. The date for doubles sign-in shall be the day the round robin ends, no later than noon.

6. METHOD FOR THE DRAW FOR SINGLES ROUND ROBIN

As long as the tournament organizer has enough courts to comfortably accommodate the number of matches produced by the number of accepted players, the event can accept a minimum of 12 boys and 8 girls and a maximum of 32 players. The number of players accepted must be published on the fact sheet and both the boys and girls draws must be the same size.

Acceptance list shall be organized by order of merit. The first criterion is the most recent ITF Junior Ranking, followed by COTECC U14 Ranking and then National Ranking. If these rankings are not available, relevant results of the players shall be taken into account.

The number of participants will determine the number of round robin pools. However, the Referee will try to create a number of pools that will give knockout draws with sizes of 8, 16 or 24 players.

Whenever possible, round robin pools shall be of 4 players. If there is one player in excess or in deficit then one round robin pool shall be composed of 3 or 5 players.

The following procedure shall be used for the draw:

- 1) A maximum of two players shall be seeded in each round robin pool, based firstly on ITF Jr. World Ranking then on COTECC U14 Ranking. Players with no ITF or COTECC ranking may not be seeded.
- 2) The seeds are placed as heads in each pool. Seed 1 heads pool 1, seed 2 heads pool 2, and so on, until all pools have a seed.
- 3) If there are pools with only 3 players, the highest seeds will go to those pools, starting with seed 1, then seed 2 and so on.

2023 COTECC U14 CIRCUIT REGULATIONS

TOURNAMENTS FOR BOYS AND GIRLS 14 & UNDER COMPETITIONS FORMAT FOR THE 2023 COTECC CIRCUIT

4) If there is more than one seed available for each pool, the draw will be done as follows:

Let's say there are 8 pools and 12 seeds. Pool 1 will have seed 1, pool 2 seed 2 and so on until pool 8 has seed 8. Seeds 9, 10, 11 and 12 will be drawn by lot in pools 8, 7, 6 and 5. The first player drawn in that lot will go to pool 8, the next one to pool 7, next one to pool 6 and the last one to pool 5.

5) Once all the seeds are placed, and it has been determined which groups will have only 3 players, the rest of the players will be drawn by lot, filling up the pools from top to bottom.

6) As much as possible, players from the same country shall be drawn in different pools. The highest ranked players from each country, as per the official National Ranking of each country, shall be given priority in being separated in this way.

7. METHOD OF DETERMINING PLACES IN THE ROUND ROBIN

1) The winners of each Round Robin group will be determined

a) Matches: $\frac{\text{matches won}}{\text{total matches played}}$

b) Sets: $\frac{\text{sets won}}{\text{total sets played}}$

c) Games: $\frac{\text{games won}}{\text{total games played}}$

Example:

If player A defeated "player B" 6/3 7/5, lost to "player C" 2/6 6/4 6/7, and defeated "player D" 6/4 6/2.

His match's coefficient is: $\frac{2}{3} = .66$

His sets coefficient is: $\frac{5}{7} = .7142$

His games coefficient is: $\frac{39}{70} = .55711$

2023 COTECC U14 CIRCUIT REGULATIONS

TOURNAMENTS FOR BOYS AND GIRLS 14 & UNDER COMPETITIONS FORMAT FOR THE 2023 COTECC CIRCUIT

In case of a tie after applying C) the COTECC U14 ranking will be used to untie the players who are tied. The player with the highest COTECC U14 ranking will be seeded higher. If there's still a tie after using the COTECC U14 ranking or if the players do not have a COTECC ranking, the ones who qualify to Main Draw will be drawn by lot. Head to head results will never be used to break a tie.

If two (2) players from the same country qualify to the Main Draw, they shall be drawn in different halves of the draw. If three or four players from the same National Federation qualify, the first and second-ranked player shall be drawn as above and the third and fourth-ranked shall be drawn into the quarters which do not already contain a player of that National Federation. The same applies for the consolation draw.

2) For the recording of matches, matches won or lost by walk over will be recorded as 6-0 or 4-0 for the winner, and 0-6 or 0-4 for the loser.

3) For the recording of matches, matches won or lost by retirement after the match had begun will be recorded completing the set according to the format being used. For instance, if player A is winning 4 – 3 in a short set match, and he retires because of an injury the reported score will be 5 – 4. And, if in a match to be played to the best of 3 tie-break sets player B retires on the first set after suffering an injury when the score was 4 – 5 for her, the reported score would be 6 – 4, 6 – 0 for her opponent.

The two best players in from each round robin group will go to Main Draw and the rest to consolation.

8. FORMAT

The size of the doubles draw will be half the size of the singles draw. The singles will be played using a combination round robin format and knockout draw. The two best players from each round robin group will be eligible to enter the Main Draw and the other two will go to the consolation draw. Doubles will be played by knockout draw.

Depending on the number of participants, the organizing committee can decide how the matches in the **round robin** will be played:

- a) to the best of 3 short sets, all with tie-break
- b) to the best of 2 short sets and in case there's a tie, a tie break will be played to 10 points.
- c) to the best of 3 sets to 6 games all with tie break
- d) to the best of 2 sets to 6 games with tiebreak and in case of tie a tiebreak will be played to 10 points

All the matches of the singles Main Draw will be played to the best of 3 sets all with tie-break and advantage scoring system.

All doubles matches must be played to two sets to 6 games, no add score. In case of a tie in sets, a 10-point match tie break must be played to define the winner of the match.

Singles consolation events shall be held for players that don't qualify to the Main draw.

9. ORDER OF MERIT FOR SEEDING IN THE SINGLES KNOCKOUT DRAW AND THE SINGLES CONSOLATION DRAW

Seeds for the singles knockout draw will be done based on the results obtained by players in their corresponding round robin group

In case of a tie between players the Technical Committee will decide according to the following coefficients.

b) Matches: $\frac{\text{matches won}}{\text{total matches played}}$

b) Sets: $\frac{\text{sets won}}{\text{total sets played}}$

c) Games: $\frac{\text{games won}}{\text{total games played}}$

If there's still a tie after using the COTECC U14 ranking or if the players do not have a COTECC ranking, the seed will be drawn by lot. Head to head results will never be used to break a tie.

If three or four players from the same National Federation qualify, the first and second-ranked player shall be drawn as above and the third and fourth-ranked shall be drawn into the quarters which do not already contain a player of that National Federation.
